SUMMARY

Results-driven professional with experience spanning business development, client management, sales, and accounting. Proven ability to build relationships with senior stakeholders, develop outbound sales strategies, and communicate complex products and services effectively.

WORK EXPERIENCE

Apprentice, Tel Aviv, Israel

Founding Business Development Representative (BDR) | 2026

- Developed the outbound sales process from the ground up, including prospecting strategy, messaging, call scripts, and qualification approach
- Created and continuously iterated cold-call scripts, openers, and value propositions, testing different approaches to identify messaging that resonated with target buyers
- Increased qualified meetings booked by over 25% quarter over quarter through ongoing optimization of prospecting strategies
- Executed multi-channel outbound campaigns across cold calling, email, and LinkedIn, creating copy for personalized email and LinkedIn sequences
- Researched target accounts and decision-makers and engaged finance leaders - including CFOs, VPs of Finance, PE executives, and other senior stakeholders - to identify opportunities for Apprentice's AI-powered process automation platform

KPMG Israel, Tel Aviv, Israel

Transfer Pricing Manager | 2021-2026

- Led ongoing communication with C-level executives regarding potential engagements, project status, and implementation of transfer pricing results
- Negotiated with new and existing clients regarding upcoming engagements
- Selected for the prestigious Top Talent program for KPMG Israel's top-performing employees
- Leveraged software tools including Transfer Pricing Engine and Royalty Range to conduct analyses and research comparable companies
- Prepared transfer pricing benchmark analyses and documentation for multinational technology companies with cross-border transactions

FrumMerch.com, E-commerce Storefront

Founder | 2021-2024

- Built an e-commerce brand from zero to hundreds of customers, managing sales, marketing, and operations
- Developed strategic partnerships with social media influencers, generating hundreds of thousands of impressions and increasing website traffic by up to 2,000% and sales by up to 800%
- Created hundreds of designs across 80+ product offerings

MasAmerica, Tel Aviv, Israel

Tax Associate | 2018-2021

- Managed a portfolio of 400+ clients, serving as a primary point of contact and building relationships throughout the engagement cycle
- Conducted tax research and prepared U.S. tax filings for nonresident owners of U.S. real estate investments

Capital Stack Advisors, Fort Lee, NJ

Financial Analyst | 2017-2018

- Built financial projections and tailored pitch decks for nursing home and real estate clients seeking financing
- Conducted market and property research across the Tri-state area
